2009 Schedule of Fees and Charges

Application Fee

An Application Fee is payable when the Application for Enrolment is lodged. The Application Fee (which is non-refundable and inclusive of GST) is \$50 per student.

Security Bond

For new entrants to the College a Security Bond is required to be paid within 14 days of notification that a place has been offered. The Security Bond for 2009 entry is:

- \$500 for a single student; and
- \$1000 per family (for two or more students enrolled at the college at the same time).

The Security Bond is payable at the College. Payment of the bond is deemed to be acceptance of the offered place. If the offered place is subsequently not taken up the Security Bond will not be refunded.

The Security Bond is refundable upon request when the youngest (last) student completes Year 12, provided that all monies owed to the College have been paid and that all books and items of equipment have been returned in good condition.

Should any of the students be withdrawn before completion of Year 12 the Security Bond will only be refunded, as above, provided that the required written notice of a full term has been given for each of the exiting students.

Notes:

1. Application Fees and Security Bonds, will not appear on your school fees account and will not be treated as credits towards your school fees account.
2. Fees and Charges, and Family Allowances are set each year by the College Council as part of the annual budgetary process. The Council reserves the right to vary these at any time by written advice.

Payment of Fees and Charges

Fees and charges are due and payable in advance on or before the first day of the term to which they relate. There are several options available for payment of School Fees and Charges. These include:

1. Full payment by cheque at the commencement of each term;
2. **BPAY**[®] (including debit or credit card link to bank account);
3. Fortnightly or monthly instalments by direct debit;
4. The entire year's School Fees and Service Charges at the commencement of the year.

Where circumstances arise that may prevent timely settlement, contact should be made with the College Office at the address/telephone number shown on the statement as it may be possible to make alternative suitable payment arrangements. Fees and Charges not paid by the end of term, or not the subject of an approved arrangement, may lead to the exclusion of the student from the following term.

Withdrawal of a Student

Enrolment continues normally until the completion of Year 12 at the College.

A full term's notice in writing to the Principal is required if the student is to be withdrawn.

If adequate notice is not given then a charge equal to 50% of the applicable term's School Fees will become payable.

Voluntary Contributions

Building Fund

Future development of the College relies to a considerable extent on money raised through voluntary contributions to the Building Fund. Whilst fees help in meeting the running costs of the school, new buildings and major renovations are assisted by Building Fund donations. An amount of \$50 per term is recommended as a contribution from each family.

All voluntary contributions to the Building Fund are tax deductible.
