Pursue Tomorrow

Shellharbour Anglican College is a leading Prep to Year 12 co-educational school set on a spacious green campus just South of Wollongong. Close to the sea and the Illawarra escarpment in an area rich in cultural heritage, stretching back thousands of years with the Wadi Wadi people living in the region. Our families come from a diverse range of backgrounds, and as the Illawarra grows, we are excited to grow and change with our community.

We achieved outstanding results in the 2020 HSC. All students commenced either Tertiary Studies, a trade or entered the workforce in 2021. This is an achievement that our staff and students can be rightfully proud of. These Year 12 students demonstrated a balanced approach to their studies and an attitude of commitment as many continued to be actively involved in the life of the school and the broader community.
