

# Shellharbour Anglican College

## What do we need to bring in our bag for Kindergarten every day?

These items all need to have name labels:

- **Lunch box** – preferably with recess and lunch separate (see sample photo)
- **Drink bottle** – for water only
- Roll on style **sunscreen**
- **Hat** – wide brimmed hat with the formal uniform or cap with Sport uniform
- **Jumper** (weather can change very quickly here!)
- **Raincoat**
- **Spare underclothes**, just in case
- **Zip folder** (this is our own made up name for a large plastic pencil case we provide) This is what we will send any worksheets and eventually readers home in. It needs to come in every day. We do not use it as a pencil case and **students do not bring their own pencils or textas** etc.
- A **cloth Library bag** or the College Library bag (**on Library day only**)
- A bag tag with your child's initial or name on (or something that is easily recognisable) hanging on their bag is very beneficial for easy bag identification.

The following items are shared resources you will need to purchase for the class to use – no names required.

- 4 large 40g **glue sticks** (see example photo)

You will also need:

- **Clear, untinted contact** for covering your child's books at home – do not bring in to school, please.
